CHESS ARENA

RULEBOOK

EVENT DETAILS

- **Format:** 3+2 Blitz Arena (3 minutes per side + 2-second increment)
- **Platform:** Lichess.org
- **Duration:** 1.5 Hours (90 Minutes)

LICHESS ARENA RULES

Scoring & Pairing

- **Continuous Pairing:** Players are paired as soon as they finish a game. The faster you finish, the more games you can play.
- **Scoring:**
 - Win: 2 points
 - Draw: 1 point
 - Loss: 0 points
- **Streak Bonus:** Win two or more games in a row to activate a streak. While on a streak, each win is worth 4 points instead of 2.
- **No Waiting:** There's no waiting between rounds. As soon as you finish a game, you'll be paired with another available player.
- **Early Exit:** You can leave the arena at any time, but you'll stop earning points.
- **Pairing:** Lichess tries to pair you with players close to your score, but you may face anyone in the arena.

Tiebreaks

If players are tied on points, Lichess uses the following tiebreaks in order:

1. Performance rating
2. Number of games played
3. Earliest to reach the score

Berserk Feature

- What is Berserk? In each arena game, you can hit the "Berserk" button before your first move. This halves your starting time (e.g., from 3 minutes to 1.5 minutes in 3+2), and you lose your increment (no +2 seconds per move).
- Why Berserk? If you win a game after berserking, you earn an extra tournament point (so a standard win is 2 points, but a berserk win is 3 points; on a streak, a berserk win is 5 points).
- Risk & Reward: Berserking is risky, as you'll have much less time and no increment, but it's a great way to boost your score if you're confident in fast play!

PLAYER CONDUCT & FAIR PLAY

- **Fair Play:** All players must adhere to the Lichess Fair Play policy. Any player found to be using engine assistance or violating fair play rules will be disqualified from all prizes and removed from the tournament.
- **One Account:** Each player may only participate with one account.
- **Rating:** Player rating categories will be based on the Lichess Blitz rating at the start of the tournament. (Please confirm this is the correct rating type).
- **Finality:** All decisions by the tournament organizers are final.
